## The Bahena family – Hilario, Mayra, Esteban, Felipe & Andres Missionaries to Autlan Jalisco Mexico

I am Brother Hilario Bahena of The First Baptist Church in Central Point, Oregon. I was saved in 1993 under the ministry of Pasor Guillermo Yant and Pastor Manuel Haro in Riverview Baptist Church in Pasco, Wa. Shortly after I was saved God made me see that He wanted fruit from my life. It was then that I began learning to win souls. God then called me to begin preparing for full time service. In 1994 I entered the Bible Institute of Riverview Baptist Church through 1998. While preparing for ministry I worked for 2 ½ years on the church bus route. In 1998 I was privileged to be invited to work with Pastor Jaime Osorio who had begun a work in southern Oregon near Medford, in which I have served the Lord to date. During these 11 years in this ministry I have had the privilege to serve under the leadership of my Pastor Jaime Osorio in many different ministries, as assistant pastor, teacher of the class to win souls, choir director and leader of congregational music, and teaching a children's Sunday School class. God, through His grace has continued to work in my life and is now calling me to the mission field to Autlan Jalisco Mexico. With my pastor's blessing and following his direction I am currently working to raise support for this new project.

Mayra attended Riverview Baptist Church in Pasco Wa. as part of their bus ministry. She accepted Christ at the young age of 8 years old. Early on she wanted to serve the Lord and soon became a part of the bus ministry herself. We were married in 1999 and after moving to Central Point we served together in the children's ministry.

My vision is to reach the city of Autlan and neighboring areas with the Gospel of Christ, to disciple new converts, and plant local soul winning churches.

I would ask that you pray for myself and my family that we will be able to quickly get to where God is calling us and that we will be able to raise the needed support soon. Also, that God will provide us with a vehicle for the ministry in Autlan.
