Dear Pastor McCormick & Tri-City Baptist Temple,

O give thanks unto the Lord; for He is good; for His mercy endureth forever.

We just completed our 3rd annual VBS and were blessed with 31 salvations. We had 69-74 children and 40+ workers each day. It was so encouraging to see 3 of our new Christian mums donate so much of their time and talents in preparation for VBS. One of the ladies has been sending her children on the bus to S.S. for 5 years. A couple of months back she called and wanted to talk to Karen and I and we had the opportunity to lead Mel L. to the Lord. Mel and her daughter Maddie were baptized shortly after and her son Jack got saved at VBS. She has been bringing her family and many others to church with her. We are praying for her husband Daniel to accept Christ as his savior.

Ebony started coming to S.S. school on the bus after VBS in 2008. Last October they found a tumor on her hip. Although the doctors were very concerned it took 5-6 months to get an appointment to remove it and have a biopsy. During those months her mum Mel G. started picking her daughter up from church and would stand around and talk with some of the ladies including Karen. She saw how the church reached out and accepted them. Ebony's biopsy came back fine but we feel that God allowed this in their life to soften her heart. Ebony's mum, Mel, asked Christ to come into her heart in June. She also spent hours at the church painting and helping in preparation for VBS. It has been so great to see God soften the faces and hearts of these ladies as they learn and grow in their relationship with him.

We need to always remember that no matter where God has us, there is a job to do. There are people everywhere that do not know the truth but are looking for answers.

..."be ready to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear" 1 Peter 3:15.
