Pastor McCormick & Tri-City Baptist Temple,

Our 4th VBS went off without a hitch. We were praying for 100 kids this year but didn't quite make it there. When all was said and done, God gave us an average of 80 kids. This is the most we have ever had and for that we are praising God. Also, God gave us about 20 souls saved. So many have asked us if we can do other VBS programs during all of the school holidays and so many are already looking forward to next year's VBS.

Our Youth Groups are continuing to grow. We are now averaging 15-20 5th and 6th graders and our high school youth group is averaging about 25-30. God is blessing these ministries in a big way and for that, we are thankful.

Our high school kids recently got back from youth camp. Here in Australia, we don't have much snow but about 8 hours south of us are the snowy mountains. Many of our kids have not ever seen the snow, which is totally amazing to me. We went to Jindabyne this year and took about 36 people. The kids had a great time and most of them finally got to go on the snow for the first time ever. Even some of our Youth leaders saw snow for the first time. During our time there, 1 boy, who does not come from a church family, accepted Christ and two others rededicated their lives to the Lord. Our youth leaders do a great job and we are so grateful for them. Keep on praying for us; God is doing great things here in Toronto, NSW Australia.

We look forward to many more blessings and victories from the Lord this year. Thank you for your faithful prayer and support. God bless you as you serve Him in your Jerusalem.

Your Fellow Laborers in Christ,
