Thank you for praying and giving!

Specific Prayer Needs

- Cherie and Cana's health
- Our furlough schedule
- Our needs for travel
- Our safety and health
- Daya Bible Baptist Church to continue to grow
- Leah and Galena's spiritual growth

BIRTH

For those of you who don't know, our newest blessing, Cana Faith, was born on July 6, at 1:26 pm. Weighing 8.5 lbs, and 22 inches long. We thank God for her and thank so many of you who prayed for her and for Cherie. She had some breathing complications and spent her first few days in the NICU, but is now a strong healthy baby! Please pray for her continued development and that we will continue to be godly parents.

BAPTISMS

We thank God that we saw two new believers baptized at the Daya Bible Baptist Church in July! Please pray for Leah and Galena as they continue to follow Christ!

SUMMER ACTIVITIES

In the beginning of July we took part in an island-wide youth camp and saw almost 80 young people attend the camp. The Daya Bible Baptist Church took a great group of teens and many rededicated their lives. We praise God for the 2 precious souls that received Christ at camp this year. VBS at the Daya Bible Baptist Church was very profitable! Because of recent time changes made to our kid's outreach we had seen a big drop in attendance. But, at VBS we saw 37 kids come with 5 precious souls saved! The kids had a great time and the week after VBS saw a three-fold increase in our weekly children's outreach!

GOODBYES

Three days ago we left Taiwan for our first furlough. It was very hard to say goodbye to the many people in whom we've invested over 4 years in. Please pray for the people of the churches to remain faithful in our absence and for my parents as they will be taking most of our ministries and continuing their own.

FURLOUGH NEEDS

We will be in the States for 1 year. Please pray for our needs while on furlough. We need money to purchase many things. For example, we need a car top carrier, an Apple laptop (we use an Apple desktop in Taiwan so most of our files are in Apple programs formats), and a portable projector just to name a few. Our family needs to buy new clothes and shoes, especially dress clothes. Please pray for God to supply our needs according to HIS purpose.

Thank you for your faithful prayers and support,

David, Cherie, Davey, Josiah, Charis Joy, and Cana Faith
