Dear Pastor McCormick,

I greet in the Wonderful Name of Jesus Christ our Lord. My prayer for you is that you would be in health and enjoying the blessings of our God. First, we want to thank you and the church for your continued faithful support of our work here in Africa. Without churches just like you, we would not be able to minister daily to the needs of the people and churches here in Mozambique; Thank You.

My purpose in writing is to inform you that we will be taking a short furlough in the Fall of 2012 to report to supporting churches and hopefully raise new support for the work. I want to give you, as pastor of a supporting church, priority in choosing days and times for us to report.

I will be calling our supporters during the next two months to determine who wants us to come. If possible, on receipt of this letter, if you want to contact me by email confirming a particular date and time (or *maybe a range of dates*) that would really help me in determining our schedule. Our plans are to be available to be in churches from **September 23, 2012 to March 20, 2013?**

My intention is to call you to set up and/or confirm the meeting with your church. I have a Vonage phone that I may use to call the states or that you may use to call me. Our number is **817-719-3618**. (*we are 8 hours later than US Central time*) **EMAIL: beiramoz@hotmail.com**

Please pray for us, that God will call some folks to come and help us in this great work. Thank you once again for your faithful support of our work through your prayers and offerings.

We are yours for souls in Africa,

Alan & Kathy Hart
