Dear Pastor McCormick, Ministry Partners and Friends,

May 6, 2010

Thank you for your continued prayers and support for iMap. Judi and I have just returned from a great trip to Eastern and Western Europe where we arranged for Otis and Gail Ledbetter to introduce Heritage Builders International to the missionaries in 6 countries. It was a great success. While we were in Europe the medical equipment arrived in Nanyuki and was received by missionary Jerry Daniels. It has now been placed at the hospital there and Dr. Sanderson, our medical contact, is on his way to Kenya to make the presentation this week. We have also received confirmation of the Russian translation of the Basic Baptist Beliefs c/d we have had made for pastors in all of the Russian speaking countries is done and we will begin shipping this month. I am excited to report that the church building that we have helped to fund in Naibor, Kenya is completed, and a team from the donor church is arriving there this week to help finish the inside.

It has been a busy summer, and isn't slowing down. Keep us in your prayers, as we pray for you and your ministry.

God bless you.

Serving Him,

*Bob and Judi Hines*
