Dear Pastor McCormick, Ministry Partners and Friends,

November 21, 2011

I apologize for the delay in getting this acknowledgement and report to you. It has been a very busy summer and fall. In June I hosted an evangelism and church planting conference for Eastern European Baptist leaders at the Chateau de Thieusies. It was very successful and generated a follow up trip to 9 countries at the end of August and September. We are seeing wonderful response to our work translating the Basic Baptist Beliefs book into many of these languages and a renewed interest in evangelism by many of these leaders now that tools are available in their language. We also saw funding for a missionary widow, a Guatemalan feeding center, and funding for continued work in the Ukraine completed. As you can see, it has been very busy, but very productive.

Thank you for your continued prayer and financial commitment to this ministry. I am seeing new sources of funding opening up and have great hope for the future of our missions work worldwide. I am proud to have you as a partner.

Thank you for your love and support.

Serving Him,

*Bob and Judi Hines*
