On The Field

Now I beseech you, brethren, for the Lord Jesus Christ's sake, and for the love of the Spirit, that ye strive together with me in your prayers to God for me;
- Rom 15:30

What a privilege we have to not only see this needful request from Paul, but also the answer of those prayers in his ministry. What a blessing we have here in Vanuatu also, knowing that we have faithful churches striving together with us in prayers and support as well. We are thankful for the opportunity to share the fruit God is giving us together here in Port Vila.

We are continuing to see new families in church faithfully through the outreach of the school. Not only are the children being founded on the Bible, but their parents are being exposed to the light of our Lord Jesus Christ through their own children. Please pray with us for the salvation of both our school kids and their families.

Our youth services continue to see growth. I had the opportunity to pray with one young man as he strives to rededicate his life to God. Shortly afterwards he came forward for baptism. We are praying that we will see an ongoing change in his as he grows stronger in his faith.

The year is half over and there is much to be done for our Saviour yet. We look forward to sharing with you what God will do in the rest of this year!

Your Missionaries to Vanuatu,

Jim and Ari Hirtzel

On Our Heart

Praise/Prayer – We now have a finished fence around our next building site and the foundations dug for a six classroom block. Thank you to those who had a part in making this initial stage possible. Please pray that we will have the funds to complete this classroom building so our kids have a place to meet in the next year!

Praise/Prayer – Steve and Lynn Spore are still in New Zealand and Lynn has had the first four of her six chemotherapy treatments. The Lord has truly answered prayers and she has not had many of the common issues with such treatment. Pray for the last two and for a complete recovery!

Praise – We were blessed to see one of our teens come forward for baptism and have begun to see a lot of growth in his life, please pray for his future discipleship.

Praise – We praise God for all our faithful prayer warriors and supporting churches, nothing here would be possible without your part in the work!

Kids Corner

Rashelle – A lot has happened since last time. Our grandma is in New Zealand right now, she has breast cancer. She is in the middle of 6 weeks of chemotherapy then 6 weeks stand-by time. And on top of that her grouchy old cat got bit by a snake and was really sick and dehydrated!

At our awards day we sold over 100 doughnuts at \$1 a piece plus ice cream. People kept asking for more!

Our kitten Nermal is so cute. He is always purring and he goes absolutely crazy attacking his tail. He has the exact "Nermal" attitude from the Garfield comics. Well, I'd better go now.

Terra – Our grandma is in New Zealand with breast cancer still and in going through chemotherapy, but fortunately has not felt too bad lately. Her cat, Marmite got bit by a snake and got infected. They said he has to eat the soft mush kind of kitty food. I don't think he'll mind at all though.

I am getting kinda somewhat good at drawing. In fact I am even writing a comic book. Well I'm getting a little long, I'll leave room for Rashelle. Bye!

Thank you for your prayers and support.
Together we can reach Vanuatu for Christ!
