Dear Friends,

Summer vacation is over. About half our church left the country for the summer, but they're coming back looking forward to getting into the school year and back into church ministries. In July we held a bi-lingual Chinese/English vacation bible school for 75 neighborhood children, most of whom had not been in church before. Five new families joined the Chinese congregation. Though the English congregation didn't gain in numbers we did impress a lot of parents to get their kids into Sunday School.

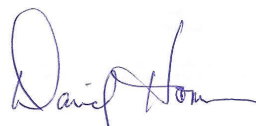

Ronnie Bush joined our staff as Youth Pastor to focus attention on establishing a student ministry for English-speakers and local young people. Pray for him as he learns not only a new culture and language, but how to reach youth steeped in the worship of modern western culture. His basketball talent has brought him into contact with several of the players from nearby schools. Pray that these contacts are fruitful.

Also, remember to pray for Joe, Ellen, and Jessica who are preparing to be baptized soon. Joe recently relocated from Singapore with his wife and two young children. Pray for his wife's conversion and that his desire to follow Jesus in baptism will be a good testimony for her. Jessica recently confessed her faith in Christ in an internet conversation with her boyfriend. For many years Ellen put off baptism. She now realizes her need to be identified with Jesus in his death, burial and resurrection. Pray for these three and others who are close to making a decision to trust Jesus for their salvation. It's such an encouragement to see the Spirit of God moving in the hearts and lives of these people.

I have a special request for my daughter, Nicolle, who is a student at Liberty University. She needs immediate dental work amounting to \$5,000. In Taiwan it will only cost \$1500, but a round trip ticket is \$1500. If I can get help with the ticket we can take care of the dental work, but either way, I need help with this expense. Appreciate your help!

Finally, Gabriel is home from Iraq! Got a call Tuesday morning from Mindy's home in Germany. Mindy is serving in the Air Force at Ramstein and Gabe had a brief layover there on his way Stateside. Thank you so much for praying for him and praise God with us for his safe return. He will be enrolled at Liberty this fall. Please keep praying for all of our young men and women serving in the Armed Services!

Gratefully Yours,
