Dear Pastor and Friends

We the Jelleys, the national pastors and Church folks here in India wish you all a very Merry Christmas and a Happy New Year. We thank you for another year of faithful support. Pray with us that we may be able to proclaim the Gospel of the Lord Jesus for many more years to come.

We are thrilled to see young boys and girls in our churches grow up with a desire to serve the Lord. Luke and Eddie are two of them. They are the nephews of our foster daughter Martha. Luke is our organist. Eddie plays the guitar or drums in the services. Their Dad, Anandrao and Uncle Mark also grew up under our ministry. They both are our pastors, Mark is our assistant in the work he and his wife Linda are totally in charge when we are in the USA.

With your prayers and giving we were able to rebuild three churches, two of them are complete and the work is going on on the third one. We hope to have it completed by Christmas. Everyone is really excited this time of the year. Christmas is a stand out Holiday in India. Many people of other religions attend our annual Christmas programs put on by our children, portraying the Birth of the Lord Jesus, the only way to Heaven. The Gospel is being presented and they hear, the choice is theirs to accept or reject.

There were 61 professions and 8 baptisms during the past two months. We thank you again for making it possible for us to see these Indian people come to Jesus. May continue to God bless and supply your need and more in the New Year of 2012
