Headlines from ASIA

Southeast Asia

This summer has been an exciting one for sure. God has blessed one of our MANNA sites on the Burma border in Thailand with a new piece of land. This property will serve as a new church campus for the Maesot Baptist Church and for the Maesot MANNA Learning Center. Over 250 Burmese refugee children are taught, fed, and embraced daily with the love of God through this ministry. Pastor Shwe and his dear family labor diligently everyday nurturing these families physically and spiritually. It is such a joy to work with them!

A special "thank you" to First Baptist Church of Lexington, SC for raising most of the funds for this property (even during your own building project at home...your faith is an inspiration to all of us!).

We are now in the process of constructing the first phase of the new building. Anyone interested in being involved with raising these building funds please let us know through the contact information listed below. May God bless and keep each of you in His perfect will.

Serving Him Together,

Ralph & Becky
