

The MOORES

Serving in

SINGAPORE

January 2012

Dear Pastor, Church, and Praying Friends,

Sharon and I trust that all of you had a blessed Christmas and New Year celebration, with both of them taking place on Sunday this year. Here at Heritage Baptist Church we broke from our usual schedule and had one service on each of those days. We were thankful to have over two hundred for our Christmas service, even with over thirty of our regular folks traveling outside of the country.

We thank the Lord that we were able to Skype or talk by phone to our children over the holidays. It helps to heal the hole in our hearts caused by not being able to be with them. It certainly helps to be able to “reach out and touch someone” through those media, but it can’t take the place of actually being together. We did have an enjoyable Christmas Eve fellowship with our missionary family here.

We praise the Lord for a newly married Singaporean couple and a young lady from the Philippines who have been saved since our last letter. Please pray for the spiritual growth of all three—Marc, Ai Fen, and Emma.

There were also two folks who followed the Lord in baptism. One was a young teen named Natasha, who was abandoned by her mother when she was just small and raised by her grandparents. For many years her grandfather has been bringing her to church because she liked the Sunday school. Natasha was one of the teens saved in our Youth Conference a couple of months ago, and wanted to be obedient and be baptized. Her grandfather, Johnny, had been saved many years before in a Bible Presbyterian Church. He realized that he had never been scripturally baptized, but decided to perform that step of obedience with his granddaughter. It was a precious moment in both their lives and a blessing to those who were there to witness it.

As we look forward to another year, we do so with great anticipation. Whether the Lord allows us to continue to serve Him on this earth, or takes us to be with Him in heaven, we are “more than conquerors through Him that loved us!” Thank you so much for the part you have played in praying for us and financially supporting us over the years, and especially for the month of December.

Because He lives,

Dan and Sharon
