

The MOORES

Serving in

SINGAPORE

August 2010

Dear Pastor, Church, and Praying Friends,

The news from the U.S. nowadays has been concerned with a heat wave that is being experienced by folks in the Southeast and the Midwest. On the other hand, here in Singapore we get a bit of relief from the heat and humidity this time of the year because of the monsoon rains, but they in turn bring some flooding, so the weather affects lives no matter where we live in God's world and at all times of the year. However, during fair weather or foul the spiritual needs of mankind are constant—unbelievers need to be evangelized and believers need to be edified. That is our two-pronged aim here as I'm sure it is in your part of the world.

In relation to evangelism, we praise the Lord that on visitation a couple of weeks ago, one of our visitation workers had the opportunity to lead a mother and her daughter to the Lord. We trust that as we follow up with them that we will see growth in their spiritual lives and that they will be obedient to follow the Lord in believer's baptism. Please pray to that extent.

On July the twelfth, we began our second semester of classes at Heritage Baptist School of Theology. We are thankful for the fifteen students who are taking at least one of the three courses being offered. I have the privilege of teaching a morning course and a night course in doctrine this semester. These courses are so valuable in carrying out the edifying part of our aim.

It was also a blessing to officiate at the wedding of one of our young couples. The bride was the oldest daughter of our first graduate from Heritage Baptist School of Theology, Brother Han Koon Juan. For many years he and his family have been missionaries sent out from our church to minister in Malacca, Malaysia. It's always encouraging to see missionary kids grow up, be equally yoked with believers, and establish homes with Christ as their foundation.

We really can't adequately express our appreciation for your faithfulness in prayer and financial support., especially during these difficult economic times. We thank you especially for your support for the month of July.

Because He lives,
Dan and Sharon
