

January 26, 2012

Pastor Ken McCormick
Tri-City Baptist Temple
P.O. Box 787
Gladstone, Oregon 97027

Dear Pastor McCormick and Church,

We have just celebrated the New Year and part of the dynamics involved in that transition is the setting of new goals. One of my goals for 2012 is to make sure that I communicate with you on a monthly basis. When we consider capturing a country for Christ, I am reminded that this is a partnership. We honestly cannot reach Sierra Leone without you. Your prayers and support are absolutely essential. Thank you for your faithfulness to this ministry.

Last month I shared with you our desire to extend to our 16 churches more stability by providing a prefab metal building. I am thankful to report that the response has been overwhelming and all of the churches will have a new building. The buildings will be ordered immediately and we trust they will be able to be shipped by the middle of February. I am in the process of raising the money that is needed for shipping.

In addition to the buildings, we have received \$800.00 for the concrete slabs on which to secure the buildings. We still need \$400.00 for each of the remaining slabs.

Thank you for all that you are doing. Please pray for Diane and I as we return to Sierra Leone next month after packing the container.

Thank you for the \$100⁰⁰ received in December

In Christ,

Mike & Diane
