June 2010

## NEW HOME, NEW WORK

Summer has arrived in Texas with the high temperatures to prove it! We are settled in our new missions house in Bowie; enjoying time with the boys, booking more meetings, and making preparations for our move to New Zealand. God is good! He has given us new supporting churches, He is giving us meetings and presenting us with many new opportunities. We are still filling our schedule, but will be spending most of our time in Texas, though we are planning a trip to Arizona and New Mexico in August/September and Florida in October.

### SUMMER ACTIVITIES

We also have the opportunity to take the young people from Calvary Baptist Church in Bowie to Senior Camp. We are excited to get better acquainted with these young people and minister to them. We are praying that the Lord will work in their hearts and allow us to be a blessing during our time in Bowie.

### FOUNDATIONAL WORK

During this year before our arrival in New Zealand, we are laying the foundation of our future work with fervent prayer. God is already working as we have had an opportunity presented us to take a work for a year in order to provide furlough relief for fellow missionaries

### PRAYER REQUESTS

New supporting churches

That God would begin to prepare the hearts of those to whom we will minister in New Zealand

Finances needed for plane tickets & visas

Visa application process

Senior Camp with youth of Calvary Baptist Church

### UPCOMING EVENTS

Senior Camp, June 21-25

Junior Camp, June 30-July 3

ministering near Wellington. We feel God leading us to start a church in the capital of Wellington, and this would afford us many opportunities for contacts and allow us to get more familiar with the area of our future work. We are seeking the Lord's guidance in this matter and appreciate your prayers regarding this opportunity.

We covet your prayers for the decisions that lie before us, the new meetings as well as these months of travel. It is our desire to be in New Zealand by next April. We sense the urgency to return to the work to which God has called us; our time is short and the need is great.

### FAMILY NEWS

Caleb and Elijah are happily settled in Bowie; both boys are glad for a break from travel. We are grateful that Caleb has made some new friends and has become involved in the children's ministries at Calvary Baptist. He is looking forward to Junior Camp at the end of June.

We praise God for all He is doing! We see His hand at work and know that all things are done in His perfect time.

Thank you for your faithful support, prayers, and love. Praise the One who is greater than our need and honors our faith! May God bless your ministry and missions heart.
