Dear Pastor Ken McCormick and Tri-City Baptist Temple,

We are excited to look back over the month of July and let you know what the Lord has been doing at CBBC. Thank you for partnering with us in the ministry here, your investment is greatly appreciated and there is fruit to rejoice about.

It has been exciting to see a group of teenagers faithfully coming to church. We sent 3 teens to teen camp at the beginning of July and they loved it. Since then, another teenager has been attending services regularly. It is a blessing to see a younger generation follow God.

The Lord allowed me the opportunity to preach at the Northern California Baptist Youth Camp near Sacramento, July 18th – 23rd. I've never done anything like that before, but it was incredible. We saw a number of teenagers saved, some surrender their life to God's will, and many other decisions made for Jesus Christ. To God be the glory!

On Saturday, July 31st, I had the privilege of leading a 50 year old man, named Duane, to the Lord. I've mentioned before how I've been working with two men in the church and training them to be soulwinners so it was a blessing to have them with me when Duane was saved. I did a follow up on Monday and gave him a Bible. He was so glad to receive a Bible and he's been telling folks about his salvation and said he can't wait to be in church this Sunday. Please pray for Duane to follow the Lord in baptism.

Through the month of July our attendance was down but every week we saw first time guests in the services. You may recall that we began renting a building on Sunday morning to accommodate the growing number of attendees. Please pray with us that we'd be able to use the school gymnasium next to us. They have agreed to let us use it for free but we need to work out some details.

Please pray with us about:

- John and Jeremy to be saved
- Michelle and Duane baptized
- New Sunday morning location

God Bless,

Pastor Tim Shellenberger
