

Dear Pastor and Loved Prayer Warriors,

The year is ending with the normal flurry of events. There are a multitude of patriotic days, graduations, weddings, Christmas and yes, getting ready for summer camp. Traffic is a mess everywhere!

P First, a note of thanks to those of you who prayed for our family conference held at Iglesia Bautista Betel in **Suntracs**. Nearly twelve hundred invitations were given out in the days prior to the conference. The messages were right on the mark. The attendance was good each night. The altars were filled during the invitations. Pray that the decisions made will result in lasting fruit. Five different churches were represented during the four days of the conference.

A A few weeks ago eight were baptized in the **Veracruz** church. We thank the Lord for those who have taken this step of obedience. Pray for their continued growth as we work to bring them to maturity through biblical discipleship.

N **Summer camp** is just around the corner and once again we are seeking sponsorship for some young people that just don't have the resources to be a part of this life changing event. The cost per camper is \$50 not including transportation. The camp for the older teens and singles will begin on January 2, 2012. That's why this request is coming now. Camp for 12 – 15 year-olds will begin at the end of January. Sponsorship for either or both camps would be a blessing. If you have preference, please indicate that with your gift.

A As the Thanksgiving holiday approaches, we are reminded that though it is special holiday to us as US citizens, the attitude of giving thanks is one that we work hard to instill in our Panamanians. Sadly, too many are used to being spoiled in a variety of ways. As Christians, we work constantly to help them see that it more blessed to give than to receive.

M So, in that spirit, we want to say thank you for so much support over the years and across the miles. Your prayers and financial gifts have made possible the salvation of so many souls and have helped in the discipleship and maturity of believers here in Panama. We have been blessed to see real spiritual strength as some of the folks in both of the churches have faced and are facing life altering situations.

A We are thankful for you, and the sacrifices you have made in prayer and giving. Only eternity will reveal what we have been able to do together. We covet your continual prayers as we seek the Lord's will in getting the churches established with national leadership and moving on to other areas.

In closing we wish each of you a very blessed Thanksgiving celebration as you worship and give thanks to our gracious Lord for all He has done and continues to do in His children. May the Lord bless us this season with a thankful heart and spirit.
